Dear Sir/Madam,

My annual expected income is about **\$18,000 yearly**. My previous letter had an unplanned and unexpected error, my apologies for that. Unfortunately I'm unemployed at this moment therefore I do NOT have any kind of income. My immediate family is helping me temporarily to live my life and go through this tough time. I'm actively looking for a job everyday and planning to earn around **\$18,000 Yearly**.

Hoping and expecting greatly to have your special consideration on this matter given our country's current situation and approve me to continue having my health Insurance benefit. I promise to pay my monthly Kaiser Permanente payment on time every month without any issue with the help of my family.

Looking forward to receive a positive and generous response back from you. I really appreciate your special consideration and assistance on this matter. Thank you in advance.

Best regards,
